

MJDF REVISION EVENINGS FOR 2015

The MJDF examination is held over 2 parts and aims to test a wide array of topics encountered in day to day dentistry. Our welcoming, experienced Tutors have worked in Hospital, Community and General Practice Dentistry which enables them to give you comprehensive training in all aspects covered in the exams. They will guide you through the examination, making sure you know exactly what to expect.

There are 2 MJDF Part 1 and Part 2 revision evenings over the year, that are approximately one month before each examination. These will cover the recommended reading, tutoring of commonly examined topics and example MCQs, SCRs and OCSE questions.
